".....22. In view of the above discussion, this Court is of the considered view that the scheme framed under the Regulations by the Pharmacy Council of India does not contemplate any permission from the State Government after approval is granted by the Pharmacy Council of India for increase in intake either in the B.Pharm. or M.Pharm. course in an existing Institution and the University must necessarily act upon the approval and grant provisional affiliation to the Institution. This is the manner in which the Pharmacy Council of India has understood the Scheme framed under the Regulations and it is uniformly applied in all the States and therefore the Government of Tamil Nadu cannot give a different interpretation and meaning than the one that is given by the Pharmacy Council of India."

11. Based on the orders of the Hon'ble High Court of Madras, an inspection was conducted on 10.12.2020 by the Inspection Commission constituted by the University and the commission has submitted its report.
